PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student with hands-on experience in full-stack web development (MERN stack) and a strong foundation in building responsive and real-time applications. Skilled in React, Node.js, MongoDB, and JavaScript, with practical exposure through internship experience. Passionate about developing scalable web applications and improving user experience.

EDUCATION

Bachelor of Engineering in Computer Science	2025
<i>SVERI's College of Engineering, Pandharpur</i>	CGPA: 7.72
Higher Secondary Certificate (HSC)	2021
<i>D.B.F. Dayanand College of Arts & Science</i>	86.50%
Secondary School Certificate (SSC)	2019
<i>Sambhaji Rao Shinde Prashala, Solapur</i>	73.20%

EXPERIENCE

Web Development Intern	Jan 2024 – Feb 2024
<i>Katara Informatics, Solapur</i>	
- Developed responsive web interfaces using React, improving user engagement and performance. - Optimized front-end components, reducing load time and enhancing UI responsiveness. - Collaborated in real-world projects, gaining experience in debugging and code optimization.	

PROJECTS

Instagram Clone (MERN Stack + Socket.io)

- Developed a full-stack Instagram Clone using MERN stack with real-time messaging using Socket.io.
- Implemented JWT-based authentication, post creation, likes, comments, and notifications system.
- Designed RESTful APIs and optimized MongoDB queries for faster data retrieval.
- Handled real-time updates and event-driven architecture using WebSockets.

Image Alchemy: AI-Powered Image Editing Platform

- Built a full-stack AI-powered image editing platform using Next.js, TypeScript, MongoDB, and Cloudinary APIs.
- Implemented features like image restoration, object removal, background removal, and recoloring.
- Integrated Stripe for secure payment processing and subscription handling.

TECHNICAL SKILLS

Frontend: HTML, CSS, SCSS, Tailwind CSS, JavaScript, React, Next.js

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, SQL

Tools: Git, GitHub, Postman

Core Concepts: Data Structures, OOPs, API Design

LANGUAGES

English, Hindi, Marathi, Telugu

CERTIFICATIONS & ACTIVITIES

Completed Prompt Engineering with ChatGPT course on GUVI platform

Attended Web Hosting and Development Workshop conducted by Fourise Software Solutions Pvt. Ltd.

ACHIEVEMENTS

- Built and deployed multiple full-stack projects independently.
- Hands-on experience with real-time applications and AI-based solutions.
